

MODEL T FORDS ARE COMING TO MURRAY BRIDGE IN 2027

Worldwide production of the iconic Model T Fords ceased in May 1927.

Marking the 100 year anniversary of this historic milestone, the 16th National Rally of Model T Fords in Australia will be held from the 10th to 16th October 2027.

The rally will be hosted by the Model T Ford Club of Australia Inc. based in South Australia, with the rally being centred in Murray Bridge.

Throughout the week-long event, participants will tour Murray Bridge and surrounding towns in the Murraylands and Fleurieu Peninsula, visiting places of interest while supporting local businesses, attractions and communities.

The rally is expected to attract around 100 entrant vehicles and more than 200 participants across Australia and overseas, bringing a remarkable collection of historic Model T Fords to the region.

If you are interested in entering the event, supporting the rally or simply coming along to see these remarkable vehicles during the week, you are warmly invited to join us.
